Introductory note

This introductory note does not form a part of the permit

The following notice, which is issued pursuant to regulation 20 and Part 1 of Schedule 5 of the Environmental Permitting (England and Wales) Regulations 2010 S.I. 2010 No. 675 (the Regulations), gives notice of the variation of an environmental permit to operate a regulated facility.

This variation is to perform the following actions:

- Increase the permitted area of the site to include the neighbouring warehouse
- Increase and update the waste types accepted at the site
- Increase the maximum permitted waste accepted in any one day to >10 tonnes
- Addition of small scale distillation equipment for recovering organic solvents (Rhodiasolve IRIS- 07 02 04*)

In varying the permit as described the site is now made up of an installation comprised of two listed activities with all remaining activities falling under waste operations.

Schedule 1 of this notice lists any deleted conditions, Schedule 2 lists any amended conditions and Schedule 3 lists any conditions that have been added.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
